

CURALITE – QUICK START GUIDE

Thank you for choosing CURALITE!
This guide covers everything you need for your first day.

INSTALLATION STEPS

1. Double-click the CuraLite installer file (CuraLite_Setup.exe).
2. Follow the on-screen instructions.
3. When installation is complete, a desktop shortcut named "CuraLite" will be created.
4. Double-click the CuraLite shortcut to start the application.
5. Note: Windows may show a security prompt the first time you run the installer. This is normal for new software. Click "More info" and then "Run anyway".

1. FIRST LAUNCH & REGISTRATION

The first time you launch CuraLite, a registration form appears.

Fill in:

- Store Name
- Address, Phone, Email
- Tax Number (optional)
- Admin Username and Password
- (Optional) a Cashier account

The Admin account has full access to all features.
The Cashier account is limited to daily sales operations.

After completing the form, click "Complete Registration".

2. LOGIN

After registration, the login screen appears.

Enter the Admin username and password you just created.

Tip: The Admin account can create additional users later from the Settings tab.

3. YOUR FREE 21-DAY TRIAL

CuraLite starts with a 21-day free trial – all features unlocked.
An amber banner at the top of the main window shows the remaining days.

You can continue using CuraLite during the trial without any payment or activation.

4. ACTIVATING YOUR LICENSE

When you're ready to purchase or when the trial ends:

1. Click the trial banner at the top of the window.
(Or click the banner any time during the trial to purchase early.)
2. The activation dialog appears.
3. Enter your exact Store Name and the License Key you received by email.
4. Click "Activate Now".

After successful activation, the banner disappears and CuraLite is permanently unlocked.

5. SET UP YOUR STORE INFORMATION

Your store details appear on every invoice. Make sure they are correct.

1. Go to the Settings tab (Admin only).
2. Open the "Company Info" section.
3. Update store name, address, phone, email, and tax number.
4. Click "Save".

6. ADD YOUR STAFF (Admin & Cashier)

CuraLite has two user roles:

- Admin: full access – inventory, sales, reports, settings, and user management.
- Cashier: daily operations only. No access to Settings.

To add a new user:

1. Go to the Settings tab (Admin only).
2. Open the "Users" section.
3. Click "Add User".
4. Enter username, full name, password, and role.
5. Save.

Give the cashier their username and password.

7. ADD YOUR MEDICINES

The Inventory tab holds your complete catalog.

To add a medicine:

1. Go to the Inventory tab.
2. Click "Add Medicine".
3. Fill in:
 - Name (English and/or Arabic)
 - Category, Batch No.
 - Quantity, Minimum Stock
 - Selling Price, Purchase Price
 - Expiry Date
 - Supplier (optional)
 - Barcode (optional)
4. Click "Save".

BARCODE TIP:

- If the product has a manufacturer barcode, scan it with a USB barcode scanner into the Barcode field.
- If it doesn't have one, click "Generate" to create a unique internal code (EAN-13). You can print it and stick it on the product.

----- 8. SELLING (POINT OF SALE) -----

The POS tab is your daily sales screen.

FASTEST METHOD – SCAN:

1. Go to the POS tab.
2. Place the cursor in the "Barcode" field at the top.
3. Scan the product with a USB barcode scanner.
4. The medicine is added to the cart instantly with a beep.

MANUAL METHOD:

1. Type the medicine name in the Search box.
2. Double-click the product in the results table.
3. It's added to the cart.

ADJUSTING QUANTITY:

- Click "+" or "-" buttons to increase or decrease by 1.
- Or double-click the Quantity cell in the cart and type a number directly.

COMPLETING THE SALE:

1. Select the customer (or leave "Walk-in Customer").
2. Apply discount and tax if needed.
3. Choose payment method (Cash, Card, Insurance).
4. Enter the amount paid.
5. Click "Complete Sale".
6. The invoice PDF opens automatically.

The invoice appears in the language you are currently using in CuraLite (English or Arabic).

----- 9. RETURNS TO SUPPLIERS -----

When medicines expire or are damaged, return them to the supplier:

1. Go to the Inventory tab.
2. Select the medicine.
3. Click "Return Medicine".
4. Scan the product's barcode to verify (optional but recommended – it confirms you're returning the right medicine).
5. Enter quantity, select the supplier, and choose a reason.
6. Click "Return".

Stock is adjusted automatically and the return is recorded.

----- 10. BACKUP YOUR DATA (VERY IMPORTANT) -----

CuraLite stores everything in one file:

medical_store.db

Location on your PC:

C:\Users\<YourName>\AppData\Local\CuraLite_internal\

TO BACK UP:

1. Close CuraLite completely.
2. Copy the file medical_store.db to a USB drive, external hard disk, or cloud folder.

TO RESTORE:

1. Close CuraLite.
2. Copy your backup file back into the same folder, replacing the current medical_store.db.

Recommended: back up at least once a week, and always before making major changes.

11. CHOOSE YOUR LANGUAGE

CuraLite fully supports English and Arabic.

To switch language:

- Open the "Language" menu in the top menu bar.
- Choose "English" or "العربية".

All screens, menus, invoices, and reports switch instantly.
Arabic mode also uses right-to-left layout.
